Dear Friends

Hand surgery has made tremendous progress over the years, with salvage of the injured hand and its subsequent reconstruction being the norm rather than the exception. However, it is often seen that the primary management having been done improperly either jeopardises further reconstruction or complicates it. It is indeed ironical that Hand Surgery, which is an area of immense importance and which has profound impact on the livelihood of a patient with a hand injury, does not get the emphasis it deserves in the post-graduate orthopaedic curriculum.

Prevention of such scenarios require dissemination of basic hand surgical techniques amongst our colleagues and future generation of surgeons. It is with this vision that the concept of the Basic Hand Course was born. The endeavour is to bring the “Basics of Hand Surgery for Acute Hand Injuries” to all trainees and even practising surgeons, elucidated by eminent national and local faculty.

After the successful conduct of the first Course held last year under the aegis of KASS and WBOA and endorsed by the Indian Society for the Surgery of the Hand (ISSH), we welcome you to the city of joy - “Kolkata” for its second edition. This year we hope to include hands on workshops (Distal Radius fractures and Tendon & Nerve Suturing) to increase the practical and need based requirements of trainees. The CME will have short didactic lectures, video-based talks elaborating on surgical technique and interactive discussions.

So block your dates and join us for an academic feast in your journey in Hand surgery!

Looking forward to welcoming you all to Kolkata!

Regards

Organising Team
2nd ISSH-KASS Basic Hand Course

Instructional Lectures
Surgical Videos
Hands-on Workshops
• Distal Radius Fractures
• Tendon & Nerve Suturing
Interactive Case Discussions
Organising Secretary
Dr. Anirban Chatterjee

Scientific Coordinator
Dr. Ravi Ganesh Bharadwaj
Dr. Abheek Kar
Dr. Arya Roy

Workshop Coordinator
Dr. Arya Roy
Dr. Sutanu Hazra

Local Host
Dr. Vikash Kapoor
Dr. Sutanu Hazra

THE COMMITTEE

STAR ATTRACTIONS

Prof. Anil Bhat
HOD, Orthopaedics & Chief, Unit of Hand and Microsurgery
Kasturba Medical College, Manipal

Dr. Shailesh Gupta
Hand & Microvascular Surgeon
Gupta Hand Surgery Centre, Indore
EMINENT FACULTY
Dr. Abheek Kar
Dr. Anirban Chatterjee
Dr. Akhilesh Agarwal
Dr. Arya Roy
Prof. Gaur Gautam Kar
Dr. Mainak Chandra
Dr. Ravi Ganesh Bharadwaj
Dr. Saumitra Misra
Dr. Suhas Ranjan Bala
Dr. Tirthankar Bhattacharya
& Others

COURSE CONTENTS
Clinical Evaluation
Radiology
Anaesthesia in Hand Surgery
First Aid & Debridement
Flexor & Extensor Tendon Injuries
Peripheral Nerve Injuries
Closed Treatment of Hand Fractures
Middle & Proximal Phalanx Fractures
Metacarpal Fractures
Scaphoid Fractures
Distal Radius Fractures (Closed & Ex. Fix.)
Distal Radius Fractures (ORIF)
Thumb Fractures & Injuries
Common Flaps in Hand Surgery
Finger Tip Injuries
Infections (Paronychia, Flexor Sheath)
Setup for Hand Surgery
Post op. Splinting & Rehabilitation of Hand Injuries
WHO SHOULD ATTEND

- Post Graduate Trainees
- Practising orthopaedic surgeons who treat hand problems
